A list of current publicly available datasets

8-9 September 2018

Team name: HealthLink
Team members: Alex, Anna, Caleb, Faraz, Junran

Location population information
- by suburb, SA1, etc.
- Demographics: age group, gender, median incomes, etc
- Health status/characteristics
- Risk factors
- weather/climate

General Sydney demographic info
selected: City and Inner South (SA4) (117)
- Age groups & median age
- Gender
- Population
- Indigenous population percentage
- Number of businesses by industry
- Residential property prices (proxy for wealth level)
- Industry of employment
- Earnings by income types
- Education attainment
- **Taxpayers who report having private health insurance**
- **Persons who have need for assistance with core activities**
- Household type
- Marial status
- Average number of children in family

State population projections
NSW

Can apportion to local region/area then use as basis for forecast

http://www.abs.gov.au/AUSSTATS/abs@.nsf/DetailsPage/3222.02012%20(base)%20to%202101?
OpenDocument

Health behaviours in NSW
NSW

Can link by age group + appropriate assumption about trend over time
- overweight/obese
- Risk drinking
- Smoking

https://data.gov.au/dataset/health-behaviours-in-nsw

Tuberculosis incidence per 100,000 population
Australia

- won't incorporate in prototype. Too high level

https://data.gov.au/dataset/tuberculosis-incidence-per-1-000-population

Hepatitis B incidence per 100,000 population
Australia
- won't incorporate in prototype. Too high level

https://data.gov.au/dataset/hepatitis-b-incidence-per-100-000-population

Number of new HIV diagnoses per 100,000 population by sex, age and key populations
Australia
- won't incorporate in prototype. Too high level

https://data.gov.au/dataset/number-of-new-hiv-diagnoses-per-100-000-population-by-sex-age-and-key-populations

Health risk factors in adults by Primary Health Network area: 2014–15
NSW regions

https://www.myhealthycommunities.gov.au/interactive/risk-factors

Healthcare provider information
- Hospital addresses
- Hospital admissions
- Hospital services

Health worker density and distribution
Australia
Can possibly (would be difficult) apportion to the local area
- number of doctors & specialists

https://data.gov.au/dataset/health-worker-density-and-distribution

Patient Experiences in Australia: States and Territories, 2013-14

http://www.abs.gov.au/AUSSTATS/abs@.nsf/DetailsPage/4839.0.55.0022013-14?OpenDocument

Private & public Hospitals

http://www.abs.gov.au/AUSSTATS/abs@.nsf/DetailsPage/4390.02016-17?OpenDocument

https://www.aihw.gov.au/reports-statistics/a-z-topics

Healthcare provider information

1.   Hospital addresses
Hospital addresses and contact number in NSW
2.   Hospital admissions
# of patient admissions sorted by type of treatment in each hospital

childbirth, surgical, medical, other acute care, mental health, rehabilitation care, palliative care and non-acute care

3.   Hospital services
Selected services provided by individual Hospital in NSW
Includes specialised care units and emergency departments
